Chapel Organist Information

Initial arrangements must be made directly with the Student Center's Business and Event Manager. An authorized organist will play at your wedding, and if he/she is unavailable, we will find a qualified substitute.

If you decide you would like to have an organist play at your wedding, please complete the "Chapel Organist Agreement" provided by the Student Center, and let us know immediately if your date is less than 6 months away. Once we find you an organist, you can mail us the check (see address below) made out to him/her, and the Student Center Event Manager will forward the contract and the check to the organist. When the organist receives the contract and the check, he/she will contact you.

3. Rice University and the Student Center will be held free of all responsibility and liability, financial or otherwise, involved in the musical presentation of any event.
